

FOUNDERS PARK VILLAGE

MONTHLY NEWSLETTER- NOVEMBER 2015

IT'S HOLIDAY SEASON!

Holiday season is quickly approaching and we hope all of our tenants are able to spend time with close family and friends.

Reminder If you are planning on traveling over the holiday season to see family and friends, please let me know if you will be gone more than 15 days. Thank you!

Thank you to everyone for their cooperation with the parking lot numbering. We and Straight Line Striping greatly appreciated everyone's timeliness and cooperation with having vehicles out of the way.

I-190 ROAD CONSTRUCTION

At this point, I'm sure you have all discovered the very large road construction project near our community. I have included information regarding this project on the following page.

WINDOW CLEANING

During the month of November, all outside portions of windows, excluding patio doors will be cleaned by a professional window cleaning company. Please watch for a notice in your mail or email.

Hope you are having a wonderful year! Please let me know if there is anything I can do for you!

FOUNDERS PARK VILLAGE

MONTHLY NEWSLETTER- NOVEMBER 2015

CONSTRUCTION UPDATE FOR I-190 & PHILADELPHIA ST

PROJECT OVERVIEW

The project is for the construction of a new single point interchange at Exit 1 of Interstate 190 in Rapid City, South Dakota. Construction activities include erection of a new bridge and demolition of the old bridge and completion of an interchange for access directly from I-190 to and from North Street, Silver Street and Philadelphia Street. Pedestrian and bicycle access will be improved by installing a bike path along the western side of the interstate to the north, as well as a sidewalk along 11th street with connection to the Rapid City bike path. Utilities upgrades include storm sewer, sanitary sewer and water lines. The purpose of the Project is to replace the I-190 Interchange due to structural deficiencies of the existing bridge and safety issues with the current interchange layout.

OVERALL PROJECT SCHEDULE
